When you happen to find yourself walking past Dani Maye's house, it's very hard to resist the temptation to pop in, just on the off chance that she's feeling horny. Well, we say the off chance, but the truth is we've yet to run into her when she's hasn't got at least a bit of an itch to scratch, and she didn't take much persuading before she was spreadeagled in the hallway, rubbing one out almost as frantically as we were! Want the address? We bet you bloody well do!

Web Arousing

I love reading your readers' sexy letters and couldn't resist sending in one of my own.

It was a hot night, the night I stayed at my friend's house.

He's helping me with my website and mentioned that another girl was swinging by to collect some photographs.

We were in the kitchen when the doorbell rang and thirty seconds later he introduced me to this incredibly cute girl.

I was immediately attracted to her in her tiny short skirt and boob tube. Her nipples showed through the thin material and I couldn't help but stare.

She'd brought her fella with her and while he and my friend were pouring drinks, me and Kelly got chatting in the corner.

She said it would be fun if we went into the living room and teased the boys, so we put it to them and they followed us through.

We began kissing and fondling each other and told the boys to video what we were doing.

She slipped her tongue into my mouth, then whispered it would be in my cunt soon.

This sent me wild and I couldn't wait until she was sitting on my face.

She slid her hands up my skirt and pulled my knickers aside, then began fingering me.

In turn, I pulled her boob tube down and sucked on her tits as hard as I could.

Kelly evidently loved this and pushed me down onto the ground, then straddled my face.

I ripped her wet panties off and shoved my face into her dripping pussy.

I licked her juicy slot then shoved my tongue in as far as it would go.

Kelly was doing the same to me, so I began fingering her cunt, and then her arsehole, to see how she liked that.

Kelly bucked her hips, so I concentrated my tongue in her clit and sucked her off until she had an enormous orgasm all over my face.

Watching and tasting her cum just set me off and a moment later I was climaxing against her hand.

The guys zoomed in on my face as I came and told me afterwards that it was the horniest thing they'd ever seen.

Long after the guys packed the equipment away we were still tonguing each other's cunts.

Neither of us could get enough, so now I'm looking to hear from more girls to lick – and guys who want to watch.

Samantha, London.

LOTTI &
ROXI

Don't worry — neither Lotti on Roxi are planning on having their Hen Night any time soon, so there's still plenty of time to run into them while they're on the market! But when they arrived for this shoot waving that inflatable cock around, we thought we'd humour them by letting them have a bit of fun with it. Still, there's only so much fun you can have with a toy that size, so it wasn't long before they were playing with each other instead. And then there was another inflated cock in the room!

Mel's Kitchen

A woman's place is in the kitchen, huh? Normally, I'd disagree, but then I was at a dinner party last week where I wouldn't have been anywhere else.

There were a dozen of us, guys, girls and couples. We'd had a lovely meal and I offered to help clear the table. I figured if everyone pitched in, we'd have it done in no time.

Typically, only me and the girl whose party it was, actually did anything. Everyone else went off to the balcony.

"You know what that lazy lot are like," Mel said, pouring me some wine.

I took a sip and Mel pressed her body against mine.

"Besides, we can have some fun without anyone knowing," she said.

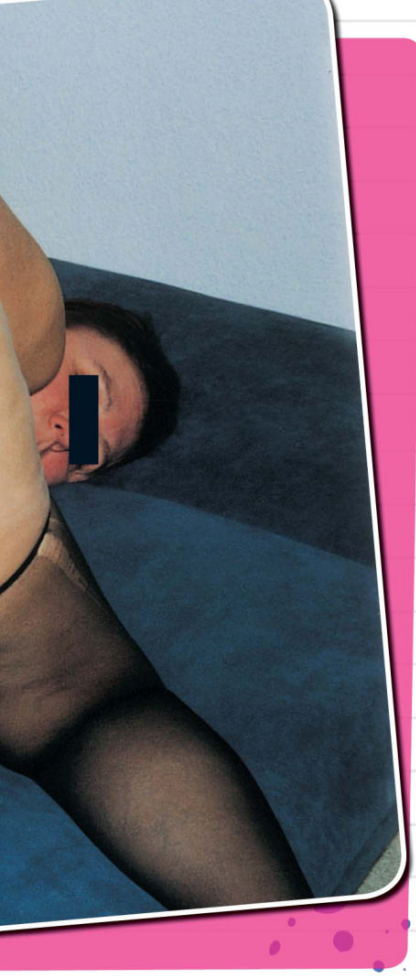
I'd heard about Mel and her penchant for pussy, but I'd always thought it was just a rumour.

Mel kissed me on the lips and felt my breasts. My nipples stiffed against her fingers and my pussy tingled inside my panties.

"I'd love to lick your cunt," she whispered, so without further ado I hopped up onto the counter and pulled my skirt up. We had to be quick as anyone could've walked in at any moment, but that just added to the thrill.

Mel dipped her tongue between my lips and stroked it inside me.

I gasped as I felt her wriggling against my



folds and bit my finger when she began circling my clit.

She dabbed the tip of her tongue against my love button and stroked a finger across my puckered arsehole, making me tingle in the most wonderful way.

I opened my eyes and watched as she licked

"MEL DIPPED HER TONGUE BETWEEN MY LIPS."

between my legs. It was the most erotic thing I'd ever seen and I came on her face in that instant.

Mel slurped it all up and rubbed her fingers over my clit until I came some more.

I was just cumming for the last time when Mel's husband walked in and caught us both at it.

"I wondered what was keeping you," he chuckled, then went back to the balcony! I was embarrassed but Mel reassure me he wouldn't say anything. "Not if he wants his blow-job tonight."

I'll let you guess which one of us gave him it.

Anna, Brighton.

If there's one thing we like to see even more than a woman in a pair of marigolds going about her domestic duties, it's a woman taking off her marigolds – and all the rest of a clothes – and frigging herself silly with a big pink vibe! Fresh Delivery

I was waiting for my latest toy to be delivered and was getting really horny thinking about what I was going to do with it when the phone rang. It was the courier, who had got himself lost. I gave him directions and then, as an afterthought, asked if he'd have time for a coffee when he arrived. He said he'd love one, so I put the kettle on. I'd just finished making the drinks when there was a knock at the door. I opened it to find a tall, good looking guy with my present to myself in one hand and the paperwork in the other. I invited him in and led him through to the kitchen. He seemed really nice, and I was soon flirting shamelessly with him, making sure he had a perfect view of my tits as I leant across the table to pass him his coffee.

I could feel myself getting wet and a tingle ran up my spine as I saw the size of the bulge that was rapidly appearing in his trousers. I couldn't resist egging him on more, so I opened my parcel. I almost laughed out loud at the expression on his face when he saw my toy – it was a purple dildo, 12" long and with a girth of 7". His eyes nearly popped out of his head! He wasn't making any effort to leave, so, grabbing the bull by the horns, I stood brazenly in front of him and asked if he had time to fuck me over the table. He didn't even look at his watch, just standing up and undoing his flies there and then. That was good enough for me. I bent over the table and hardly had time to pull my sopping G-string to one side before he slid his cock into my slippery hole. He fucked me so hard that I saw soon gasping for breath, and came within minutes as he rammed into me, pounding away like his life depended on it.

Before much longer I felt him tense, and I managed to squeeze out a second climax just as he shot his load deep inside me. As soon as he pulled out I spun round and went down on his semi-hard cock. I licked every last drop of our mixed juices off his shaft, getting him nice and hard again in the process. But just when I thought I'd get another good seeing-to he said that he had to be off.

Sadly I showed him out and then almost ran back to the kitchen. In no time at all I was trying to cram all 12" of my new toy into my hungry cunt. The courier's cum was lubricating everything nicely, and I was soon screaming through another climax. Once I had calmed down I had a shower, the hot water doing nothing to ease my excitement as I played with me tits and ran my hands between my legs. But then I was a good girl, waiting till my hubby got home before I did anything else. He had hardly got in the door before I dragged him to the kitchen and told him about my little adventure in vivid detail. He said he didn't believe me and demanded proof, so I sat on the edge of the table and leant back so he could take my panties off. He parted my legs and slid two fingers into me. I was still so horny that I came again as soon as he touched my flushed pussy, but he worked his fingers deeper into me until I came again.

"You're a dirty little tart!" he said sternly. Then he got his cock out and gave me another good fucking.

That episode has become our favourite sex experience, and we often talk about it when we're feeling randy. I'm thinking next time I might try it on with the guy who delivers our groceries. He's really cute, with big hands, and you know what they say about guys with big hands!

Kaz

Pint-sized Kaz might only be a tiddler, but she doesn't let that hold her back...

"I was never going to be much of a basketball player, but I more than make up for it in other ways! Fellas love watching me suck their cock, for starters – they reckon it always looks much bigger coz I'm so small. Not that it ever lasts that long, mind..."

04. Sharon, Crewe
33 years old.
"This jelly baby makes my pussy tingle and froth!"

CONTACT US!

MY FAVOURITE DI

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately some of us blokes have to go to work. Here's what the loves get up to in our absence...

06. Josie, Cumbria.
35 years old.
"This is just a part of my collection – I'm addicted to stuffing my holes with sex toys!"

£25 PER PIC!

05. Beth, Stoke
41 years old.
"FIve minutes on my clit and I'm cumming all over the place."

07. Daisy, Hants
28 years old.
"It's almost as good as a cock – but not quite!"

Tina Kay

Elfin Tina's a bit of a pocket rocket, by all accounts, and she reckons there are plenty of advantages to being on the petite side…

"Yep – it makes travelling by plane or bus better, and you don't feel so cramped at the cinema, but the best thing about it is all the positions a big strong bloke can get you into when you're fucking!"

Hmm, reckon a scrawny bloke could manage a few?
